Synopsis book

Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends.

Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, *1,000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, *You have to read this*. But it's not a proscriptive list of the great works; rather, it's a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and
