Synopsis book

In *Amazing Glaze*, you will learn to love glazing with a variety of techniques, sure-fire recipes, and inspiring work from some of today's top ceramic artists. Whether you look forward to glazing your work or are guilty of saying "I hate glazing!" *Amazing Glaze* is for you. Join author and Odyssey Clayworks founder Gabriel Kline on a journey that makes glazing less intimidating and more fun. Start in the "glaze kitchen" where you'll set yourself up for success, then move on to learning the tools and techniques for glazing right every time. Along the way, Gabriel shares dozens of tried-and-true recipes and combinations for both mid-range and high-fire. The recipes and the foundational techniques here are just the beginning. Learn about layering with slip and underglaze, work with resists, and combine techniques to take your glazing above and beyond. Whether you're after crystalline effects, an elusive red, or a crash-course in applying luster, it's all here.
