## **Synopsis book**

Renowned and beloved interior designer and tastemaker

Charlotte Moss celebrates gracious hospitality--from assembling striking place settings and arranging the table

to hosting a dinner party or simply serving an elegant afternoon tea. Charlotte Moss inspires readers to imbue everyday life with elegance and romance. Moss focuses

on events--as small as breakfast in bed or tea in the afternoon or as elaborate as a festive Christmas luncheon or large dinner party--and the artifacts of our lives (china,

silver, linen) to create the backdrop for a life well

lived. Moss celebrates the day-to-day by bringing her enthusiasm and impeccable style to every domestic activity. Setting the table becomes a joy when putting

together stylish combinations of place mats,

monogrammed linens, china, tableware, curios, and flowers. From tasteful meals for one to grand occasions for friends and family, Moss chronicles her own aptitude for hospitality. Style icons are conjured for their entertaining

savvy:
