Synopsis book

From Helen Schulman, the acclaimed author of the New York Times bestseller *This Beautiful Life*, comes another "gripping, potent, and blisteringly well-written story of family, dilemma, and consequence" (Elizabeth Gilbert) a mind-bending novel set in Silicon Valley that challenges our modern constructs of attachment and love, purpose and fate. "What do you want to know?" Amy Reed works part-time as a PR person for a tech start-up, run by her college roommates nineteen-year-old son, in Palo Alto, California. Donny is a baby genius, a junior at Stanford in his spare time. His play for fortune is an algorithm that may allow people access to their "multiverses" all the planes on which their alternative life choices can be played out simultaneously to see how the decisions they've made have shaped their lives. Donny wants Amy to be his guinea pig. And even as she questions Donny's theories and motives, Amy finds herself unable to resist the lure of the road(s) not taken. Who would she be if
