Synopsis book

The Dark Multiverse is coming, and nothing will ever be the same! One of the biggest events in DC history is here in the shocking, action-packed epic *Dark Nights: Metal* from critically acclaimed author Scott Snyder and Greg

Capullo, reuniting after their smash-hit *Batman* series. Beyond our universe there is the Multiverse...and beneath the Multiverse is a nightmare realm where every fear that has ever been felt on our Earth becomes reality.

Now an evil force as old as time wants to drag us down into the shadows, into the realm of never-ending terror. But

when the door between worlds opens, it's not just any nightmares that come spilling out. They call themselves the Dark Knights. Each one is a twisted version of Batman

from a world where one of his worst fears has come true. With the invasion underway and Batman trapped in the Dark Multiverse, the Justice League must undergo an impossible quest to find the mysterious metals capable of repelling the Dark Knights and their master, the
