Synopsis book

An influential pastor, podcaster, and thought leader believes it's not only possible to predict life's hardest moments, but also to alter outcomes, overcome challenges, and defeat your fiercest adversaries.

Founding Pastor of one of North America's most influential churches, Carey Nieuwhof wants to help you avoid and overcome life's seven hardest and most crippling challenges: cynicism, compromise, disconnectedness, irrelevance, pride, burnout, and emptiness. These are challenges that few of us expect but that we all experience at some point. If you have yet to confront these obstacles, Carey provides clear tools and guidelines for anticipation and avoidance. On the other hand, if you already feel stuck in a painful experience or are wrestling with one of these challenges, he provides the steps you need to find a way out and a way forward into a more powerful and vibrant future.
