Synopsis book

Each kindness makes the world a little better
Chloe doesn't really know why she turns away from the new girl, Maya, when Maya tries to befriend her. And every time Maya asks if she can play with Chloe and the other girls, the answer is always no. So Maya ends up playing alone. And then one day she's gone. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the opportunity that's been lost. How much better could it have been if she'd just shown Maya a little kindness and opened her heart to friendship? Newbery Honor-winning author Jacqueline Woodson and Caldecott Honor-winning illustrator E. B. Lewis have created a beautiful, poignant picture book with a powerful message that will stay with readers long after they've put it down.

Each Kindness

The background of the cover is a painting. It depicts a young girl with curly hair, wearing a white t-shirt and blue pants, carrying a backpack. She is walking through a grassy field. The scene is reflected in a body of water in the foreground. The overall tone is peaceful and contemplative.
