Synopsis book

An alternative cover edition for this ISBN can be found here. Everyone wants to eat at Ignacio Mattos's Estela, from the world's top chefs to ordinary food lovers. (Michelle and Barack Obama chose Estela as the one restaurant they wanted to eat at during a visit to New York.) It's because each Ignacio Mattos dish is the quintessence of right. He just nails it--his inventive and playful layering of flavors and textures, combined with precision in execution, makes each forkful positively electric. His food is influenced by Spanish and Italian cooking--the birthright of all who grow up in Uruguay--but he is equally in love with American food, both high and low. You will find dishes like a Waldorf salad or a sauce inspired by his infatuation with a cheesy topping encountered at a 7-Eleven; yet each is unlike anything you have ever tried. Familiar, yes, but astonishingly better. He offers seasoning and flavoring tricks--the use of different salts and vinegars in a given dish (not one type
