Synopsis book

New York Times Bestseller! What happens when we give away love like we're made of it? In his entertaining and inspiring follow-up to the New York Times bestselling phenomenon *Love Does*, Bob Goff takes readers on a journey into the secret of living without fear, constraint, or worry. The path toward the liberated existence we all long for is found in a truth as simple to say as it is hard to do: love people, even the difficult ones, without distinction and without limits. Driven by Bob's trademark storytelling, *Everybody, Always* reveals the lessons Bob learned--often the hard way--about what it means to love without inhibition, insecurity, or restriction. From finding the right friends to discovering the upside of failure, *Everybody, Always* points the way to embodying love by doing the unexpected, the intimidating, the seemingly impossible. Whether losing his shoes while skydiving solo or befriending a Ugandan witch doctor, Bob steps into life with a no-limits embrace of others that is
