## **Synopsis book**

"It's not surprising that sooner or later I'd dive down the proverbial rabbit hole into the world of vintage bass guitars." Geddy Lee From Rush frontman Geddy Lee's personal collection of vintage electric bass guitars, dating from the 1950s to the 1980s, comes the definitive volume on the subject. Geddy's love of the bass has been nurtured over a lifetime spent in the limelight as one of the world's premier rock bassists. For the past seven years, he's dedicated himself to studying the history of the instrument that's been so essential to his career, collecting hundreds of basses from around the globe, 250 of which are presented here in breathtaking detail with specially commissioned photography by Richard Sibbald. Representing every tone in the bass palette, every nuance of the rock and roll genre as well as blues, jazz, pop, and country, this one-of-a-kind collection features so-called "beauty queens" pristine instruments never lifted from their cases as well as "road
