## **Synopsis book**

Prolific dwarven author and heroic companion of the Dragon Age games, Varric Tethras brings us the collected edition of his breakthrough crime-noir drama, Hard in Hightown (with help from his trusted human confidante, Mary Kirby)! This volume is beautifully illustrated by Stefano Martino, Alvaro Sarraseca, Andres Ponce, and Ricardo German Ponce Torres, with a painted cover by E.M. Gist! Twenty years of patrols have chiseled each and every stone of the Kirkwall streets into city guardsmen Donnen Brennokovic. Weary and weathered, Donnen is paired with a recruit so green he might as well have leaves growing out of his armor. When the mismatched pair discover a dead magistrate bleeding out on the flagstones, they're caught up in a clash between a shadowy organization known only as the Executors and a secretive group of Chantry agents--all over some ancient artifact. This is a prose novel featuring 24 black and white full page images.
