## **Synopsis book**

For courses in one-semester human anatomy. A fresh voice strengthens a visually compelling, classic human anatomy text. Revered for its groundbreaking, atlas-style format, detailed illustrations, and exceptionally clear photographs, Human Anatomy has long been known for its quality and sophistication, as well as its scope and level of coverage. Accomplished author and award-winning educator Judi Nath joins the writing team, bringing a fresh voice, enhanced accuracy, and a clear, engaging writing style to the 9th Edition. The new edition builds upon the legacy of previous editions and includes expanded clinical content to help students focus on the types of diseases and injuries they are likely to encounter in their future careers; visually stunning Spotlight Figures in every chapter to guide students through complex topics; and new features that focus students on the key point in each section and use simple analogies and memory devices to help students remember facts and concepts.
