## **Synopsis book**

Surprise! The little red chicken is back -- and as endearingly silly as ever -- in David Ezra Stein's follow-up to the Caldecott Honor-winning *Interrupting Chicken*. It's homework time for the little red chicken, who has just learned about something every good story should have: an elephant of surprise. Or could it be an element of surprise (as her amused papa explains)? As they dive in to story after story, looking for the part that makes a reader say "Whoa! I didn't know that was going to happen," Papa is sure he can convince Chicken he's right. After all, there are definitely no elephants in "*The Ugly Duckling*," "*Rapunzel*," or "*The Little Mermaid*" -- or are there? Elephant or element, something unexpected awaits Papa in every story, but a surprise may be in store for the little red chicken as well. Full of the same boisterous charm that made *Interrupting Chicken* so beloved by readers, this gleeful follow-up is sure to delight fans of stories, surprises, and elephants alike.
