Synopsis book

Take a deep dive into the innovative recording history of Led Zeppelin, in this newest addition to the fan-favorite All the Songs series. Fifty years after their first practice in a Soho basement, Led Zeppelin continues to fascinate new generations of listeners. While their legendary back-stage debauchery has been written about extensively in other books, All the Songs is all about the music, detailing the studio magic and inspiration that made all nine albums go platinum, including Led Zeppelin IV which was certified x23 platinum and has sold more than 37 million copies worldwide. Studio stories will include their productive time at Headley Grange in Wales, a poorly-heated former poorhouse where they recorded parts of Led Zeppelin III, Led Zeppelin IV, Houses of the Holy and Physical Graffiti. And how the first album was recorded in three weeks but their second took six months, done while the band was on a world tour. They carried the masters of the recording session in a steamer
