Synopsis book

What if you could focus on one aspect of your well-being to transform all the others and at the same time prevent health problems you didn't even know were lurking beneath the surface? In today's world, we have no idea how many symptoms, conditions, and diseases are rooted in an overloaded liver. It's not only about liver cancer, cirrhosis, and hepatitis. Nearly every challenge from pesky general health complaints to digestive issues to emotional struggles to weight gain to high blood pressure to heart problems to brain fog to skin conditions to autoimmune and other chronic illnesses has an origin in an overloaded liver and can improve when you harness the force of this humble organ. Medical Medium Liver Rescue offers the answers you should have had all along. With his signature compassion, Anthony William, the Medical Medium, shares unparalleled insights into undiscovered functions of our life-saving livers, explains what's behind dozens of health issues that hold us back, and
