## **Synopsis book**

Joel Osteen, #1 bestselling author and pastor of Lakewood Church, invites you to set aside the shortcomings of the past and step into a new level of victory and favor. Many of us have let our minds become conditioned to thinking we've reached our limits, we've made too many mistakes, we'll never do anything great. What's happened? Instead of moving forward, we've adapted to our environment. Instead of pushing beyond our bounds, we've allowed a bad break, how we were raised, living with insecurity, or what someone did or didn't do to hold us back. The good news is that people don't determine our destiny-God does. And He has already taken into account every detail of our lives and factored them all into his plan. In his new book, *Next Level Thinking*, Joel Osteen writes that we weren't created to go through life weighed down by the past. God has destined us to rise higher-to the next level. When we leave behind the negative mind-sets, the scarcity mentality, and the limits others have put
