

The book cover features a vibrant illustration of the main characters. In the foreground, a girl with purple hair and large blue eyes (Sora) is shown from the waist up, wearing a white and purple dress. Behind her, a white cat-like character with red markings on its face (Shiro) is visible. In the lower foreground, a small, round, orange creature with a green gem on its forehead (Cocoriko) is shown. The background is a colorful, abstract landscape with pink and purple flowers, a green sword, and a blue and white checkered floor. The title 'No Game No Life' is written in a stylized, colorful font in the upper right corner, and the volume number '8' is in a large, white font with a blue outline. The author's name 'YUU KAMIYA' is at the bottom right.

Synopsis book

(Volume 7) At the end of the eternal Great War, the world where everything is decided by games, "Disboard," is born as the means to an end are changed from violence and force to games and wagers. But winners still trample losers, and the victims pile up. A young shrine maiden laughs at how nothing has changed. As the gamer siblings Sora and Shiro play a dice game where the number of dice you have is determined by your age, everyone seems to be against the pair. Will they survive, or will they lose the game--and their lives?
