Synopsis book

Discover the patterns in your everyday life in a guided visual journal. Harness your skills of observation. Activities teach you how to document the world through colors, lines, shapes, design, and data. Fuel your creativity. Through the lens of data, encourage yourself to notice more closely the unfolding processes of both the world and yourself.

Observe, Collect, Draw! functions as a mini-course in information design, as accessible to beginners as it is engaging to seasoned info designers. This journal is for you if you are interested in
Self improvement
Curious about personal data collection
Looking to expand your creative outlets
Experimenting with a different way of drawing
