Synopsis book

This catalogue is one of the first visual representations of the material religion and art objects of Naser al-Din Shah's court, vis ? vis popular Shiite beliefs during the Naseri period (1848-1896). In this work, Pedram Khosronejad has paid special attention to the role of Naser al-Din Shah's popular Shiite values in shaping attitudes toward the depiction in portraiture of the Prophet Mohammad and Imam Ali. Khosronejad's observations further confirm Naser al-Din Shah's deep-rooted connections to popular Shiite beliefs and related superstitions, along with his interest in Shiite rituals and ceremonies. Thierry Zarcone, Directeur de recherche, Groupe Soci?t?s, Religions, La?cit?s, CNRS, France.

Description

This catalogue is one of the first visual representations of the material religion and art objects of Naser al-Din Shah's court, vis ? vis popular Shiite beliefs during the Naseri period (1848-1896). In this work, Pedram Khosronejad has paid special attention to the role of Naser al-Din Shah's popular Shiite values in shaping attitudes toward the depiction in portraiture of the Prophet Mohammad and Imam Ali. Khosronejad's observations further confirm Naser al-Din Shah's deep-rooted connections to popular Shiite beliefs and related superstitions, along with his interest in Shiite rituals and ceremonies. Thierry Zarcone, Directeur de recherche, Groupe Soci?t?s, Religions, La?cit?s, CNRS, France.
