Synopsis book

Grant Morrison's epic and ambitious SEVEN SOLDIERS saga is collected here in its entirety for the first time ever! SEVEN SOLDIERS is an epic tale of life, death, triumph and redemption that explores the nature of heroism and sacrifice. Featuring seven heroes: the Shining Knight, the Guardian, Zatanna, Bulleteer, Frankenstein, Mister Miracle and Klarion the Witch Boy. Independently, each of these characters is featured in a story that redefines their purpose in the DC Universe. But their stories also interweave with the others, telling a grander story of a devastating global threat to mankind. Together, these reluctant champions must work together to save the world from the insidious threat of the invading Sheeda warriors -- without even meeting one another. With art from one of the greatest group of illustrators ever collected, including J.H. Williams III, Ryan Sook, Cameron Stewart, Yanick Paquette, Doug Mahnke and more, this massive omnibus collection brings together one of the most
