## **Synopsis book**

"Once upon a nightmare, her fairy tale begins...This high-fantasy gothic fairytale, inspired by Hans Christian Andersens The Princess and the Pea, takes place in an alternative medieval world split apart by magic. To win back her kingdom of perpetual day, save her night prince, and reunite the sun with the moon, a princess incapable of speech or sound must prove herself everything a traditional princess is not: tough enough to sleep on a bed of nails, and loud enough to be heard without a voice."
