Synopsis book

A brillianlly conceived page-turner. Eric Schlosser, author of *Fast Food Nation* and *Command and Control* I couldnt put the book down, reading most of it in the course of one increasingly intenseevening. If fear of nuclear war is going to keep you up at night, at least it can be a page-turner.

New Scientist

America lost 1.4 million citizens in the North Korean attacks of March 2020. This is the final, authorized report of the government commission charged with investigating the calamity. The skies over the Korean Peninsula on

March 21, 2020, were clear and blue. So begins this sobering report on the findings of the Commission on the Nuclear Attacks against the United States, established by

law by Congress and President Donald J. Trump to investigate the horrific events of the next three days. An independent, bipartisan panel led by nuclear expert Jeffrey

Lewis, the commission was charged with finding and reporting the relevant facts, investigating how the nuclear war began,
