Synopsis book

You are about to enter a vision-zone of heaven descending upon the earth unveiled before Isaiah, the first of the prophets, the prophet of Zion. The book of Isaiah is an enormous collection of prophecies described as The Vision. It is not simply a teaching or a historical record; it is the overarching vision of the heart of God revealed to His seer-prophet. This vision spans the ages and touches every nation on earth, becoming a collective overview of all that God has planned. The prophecies are vast and their grand themes are unrivaled in all of Scripture. With panoramic insight, Isaiah preaches about the virgin birth of Christ, the Bride of Christ, and the New Jerusalem. These prophecies also present a description of the cataclysmic judgments, the survival of a holy remnant emerging in Zion, and the canopy of glory that is coming to earth. The poetic message of Isaiah is one of victory, hope, comfort, and restoration of all things. Explore the vision of a man who saw the glory of
