The Gospel Comes with a House Key: Practicing Radically Ordinary Hospitality in Our Post-Christian World

**About The Gospel Comes with a House Key** The word hospitality often invokes a scene of a gracious, impeccably fashioned host

welcoming guests into a beautifully appointed home prepared with perfectly-presented meals. However, when the Bible calls Christians to be hospitable, it's calling them

to much more. In this book, Rosaria Butterfield invites readers into her home and shows from her own life and experience how "radically ordinary hospitality" can be a

bridge for bringing the gospel to lost friends and neighbors something that she experienced herself on her journey to Christ. Such hospitality welcomes those who look, think, believe, and act differently than us into our own

everyday, sometimes messy lives. Christians will be inspired and equipped to use their homes and tables as a way of showing a skeptical, unbelieving world what love and authentic faith really look like.
