Synopsis book

Fox News legal analyst Gregg Jarrett reveals the real story behind Hillary Clintons deep state collaborators in government and exposes their nefarious actions during and after the 2016 election. The Russia Hoax reveals how persons within the FBI and Barack Obamas Justice Department worked improperly to help elect Hillary Clinton and defeat Donald Trump in the 2016 presidential election. When this suspected effort failed, those same people appear to have pursued a contrived investigation of President Trump in an attempt to undo the election results and remove him as president. The evidence suggests that partisans within the FBI and the Department of Justice, driven by personal animus and a misplaced sense of political righteousness, surreptitiously acted to subvert electoral democracy in our country. The book will examine: How did Hillary Clinton manage to escape prosecution despite compelling evidence she violated the law? Did Peter Strzok, James Comey, Andrew McCabe, Loretta Lynch, and
