Tarcherperigee Language : eng ISBN-10 : 0143130633  
ISBN-13 : 9780143130635

## **Synopsis book**

Pull back the curtain on the real history of magic - and discover why magic really mattersIf you read a standard history of magic, you learn that it begins in ancient Egypt, with the resurrection of a goose in front of the Pharaoh.

You discover how magicians were tortured and killed during the age of witchcraft. You are told how conjuring tricks were used to quell rebellious colonial natives. The history of magic is full of such stories, which turn out not to be true. Behind the smoke and mirrors, however, lies the real story of magic. It is a history of people from humble roots, who made and lost fortunes, and who deceived kings and queens. In order to survive, they concealed many secrets, yet they revealed some and they stole others. They engaged in deception, exposure, and betrayal, in a quest to make the impossible happen. They

managed to survive in a world in which a series of technological wonders appeared, which previous generations would have considered magical. Even today,
