Synopsis book

An illustrated key to unlocking the mysteries of paintings, sculpture and architecture by the great Italian masters, this book also provides fresh insight into the currents of Renaissance thought, from humanism to mysticism to religious reform. We may never know what the Mona Lisa is really smiling about, but we do know that there's much more to the masterpieces of Renaissance art than the beauty that meets the eye. There are layers of significance hidden below the surface of the works of Leonardo da Vinci, Fra Angelico, Donatello, Michelangelo and many others. This magnificently illustrated guide by expert art historian, Richard Stemp, gives you the key to unlock those secrets for yourself. Split into three parts, Part One is a vivid immersion into the culture of this remarkable period, tracing the profusion of innovations in literature, painting, sculpture and the decorative arts that date to this time. Part Two offers a wide-ranging guide to the essential elements of symbolic
