Synopsis book

Internationally acclaimed oracle expert and best-selling author Colette Baron-Reid has created a unique oracle card deck that opens a gateway to Spirit through the archetypal energies of the living beings that share our planet. Animals, Colette explains, are allies for our souls and act as our teachers and sacred healers but our disconnected way of life has often blinded us to this truth. Now, however, our world is poised for a shift as we begin to hear a call to renew our sacred connection to all that is.

The 62 cards in this deck are tools to enable our transformation. Each animal, two-legged or four-legged, feathered or finned, from water, earth, or sky, has the potential to deliver a special message aligned with your authentic need, arriving at just the right time and place. Each carries a transcendent archetypal symbolism and offers a message of enduring truth to help you act in a way that brings purpose, prosperity, and magic to your life.

Every card in the deck has an
