Synopsis book

From Rupi Kaur, the #1 New York Times bestselling author of *Milk and Honey*, comes her long-awaited second collection of poetry. A vibrant and transcendent journey about growth and healing. Ancestry and honoring one's roots. Expatriation and rising up to find a home within yourself. Divided into five chapters and illustrated by Kaur, *The Sun and Her Flowers* is a journey of wilting, falling, rooting, rising, and blooming. A celebration of love in all its forms. This is the recipe of life said my mother as she held me in her arms as I wept. Think of those flowers you plant in the garden each year. They will teach you that people too must wilt, fall, root, rise in order to bloom.
