Synopsis book

In this lost classic, the pioneering motivational coach teaches how to make the crucial leap from

faith to action

in bringing your dreams to life.

Believe in yourself...Have faith. We often hear these expressions. But faith is not enough. We need Applied Faith. In three hard-hitting chapters, motivational master Napoleon Hill teaches you how to transform belief to action, and faith into real-life plans. Application. Enthusiasm. Action. These are the three keys required to do more than just "believe in yourself"--but to actually BE the person you want to be. Wishes Won't Bring Riches provides you with the missing link necessary to go from visualizing your dreams to living them.
